Organic Products

Premium Soil Conditioner	\$34.00 cu/yd
Landscape Soil	\$32.00 cu/yd
Certified Compost	\$27.00 cu/yd

Spread Rates Estimates

Mulch: 1 cu/yd will cover approximately 100 sq. ft. to a depth of 3”

Soils and quarry product: 1 cu/yd will cover 100 sq. ft. to a depth of 2”

Pine Straw: Each bale will cover approximately 35 sq. ft.

Measure the total area (length x width) and divide by coverage area. Example: To cover a 20’ wide by 40’ long area with mulch or soil product: $20' \times 40' = 800 \text{ sq. ft.} \div 100 = 8$ cu/yd needed. To cover the same area with pine straw: $800 \text{ sq. ft.} \div 35 = 23$ bales.

All prices are FOB our facilities. Minimum delivery charges may apply. **Our trucks are heavy. We are not responsible for damage to driveways, parking lots or yards caused when delivering your order.** Payment: Cash, check (Wake Co. only), Visa/MasterCard due at delivery. If paying by credit card, information must be given to office prior to delivery.

--------------------------------------	----------

Decorative Stone Description

1. Mohave: Light Brown in color, our best seller.
2. Mountain Gray: Brown and gray in color, very popular.
3. Chocolate Gray: Medium to light gray in color, for the particular customer.
4. Antique Brown: Mainly brown with a rich aged look, matches up with most homes.
5. River Jacks: Smooth gray oval stone. Two sizes, 3” to 5” and 5” to 8” in size.

Stone Pallets: 1 ton will cover 20 sq. ft dry stacked. Example: a wall 20 ft. long by 12 in. high. 1 ton will also cover 100-120 sq. ft. when used as a veneer.

All prices are FOB our facilities. Minimum delivery charges may apply. **Our trucks are heavy. We are not responsible for damage to driveways, parking lots or yards caused when delivering your order.** Payment: Cash, check (Wake Co. only), Visa/MasterCard due at delivery. If paying by credit card, information must be given to office prior to delivery.

Description of Material

Decorative Mulches

Hardwood Bark: Our Best Seller. A true blend of hardwood species with a dark brown color. We offer this material with no fillers – 100% hardwoods. The Fibers lock together allowing mulch to stay in place. Excellent for hills, resistant to washout with weather. Recommended for natural areas, as a top dress for a finished look. Contrasts well against green grass.

Triple Shredded: 1” – 3” fiber length average

Double Shredded: 4” – 6” fiber length average

Designer Mulch: Shredded wood pallets, dyed with an organic colorant – EPA approved. 3”-4” fiber length. Red, Black and Brown available.

Mini Pine Bark Nugget: 1” – 2” nugget size, most popular.

Pine Bark Mulch: Shredded pine bark with ground splintered wood. Fiber lengths from 5 to 10 inches.

Play Matting: Shredded pallets, approved for use on playgrounds by the city. Meets the American Standards for Testing and Material (ASTM) Specification for Impact Attenuation.

North Carolina Pine Straw: North Carolina long needle.

Organic Products

Premium Soil Conditioner: Aged pine bark particles averaging ½ inch or less. Excellent material to till into red clay.

Landscape Soil: A mixture of 50% compost and 50% sand and soil.

Certified Compost: 100% composted materials from food grade production residuals, yard trimmings, and aged sawdust. This product is very light and fluffy and includes the nutrients necessary for healthy planting and for reseeding yards.

Quarry Products

Screenings: Used to fill in between walkways or patio stone. 1 cu/yd = 2,800 lbs. approx.

Crush & Run: Driveway gravel ¼” – 1 ½” of various aggregate. Contains fine sand particle up to 1 ½” rock. 1 cu/yd = 2,500 lbs. approx.

#57 Wash Stone: 1” – 1 ½” in size. Use in septic tank fields. 1 cu/yd = 2,300 lbs. approx.

#78 Wash Stone: ¼”- ½” in size. Used as walkway gravel, often referred to as Pea Gravel
